PA:	A sound system that is sufficient for the venue size must be available.
FOH-Panel:	The mixing panel must have at least 16 input channels . Each input channel must be equipped with a gate or compressor. Added effects such as reverberation and space would be desirable, but not absolutely necessary.
Monitoring:	The Antipreneurs use their own in-ear monitoring rack (Behringer X32) including a 16-channel splitter. Wedges on stage are not required.
Backline:	The Antipreneurs are open to backline sharing consisting of: – Basic drums (kick, tom, floor tom) – Bass cab 6x10" Unless otherwise agreed, The Antipreneurs play with their own backline. No drum riser is required.
Sound & light equipment:	All equipment (sound/light/stage) as well as the entire technical staff is provided and paid for by the organizer. There must always be at least one competent person present from the arrival to the departure of the band.
Stage:	The stage size should be at least 4m x 6m (open air with black stage gauze). It is guaranteed that a backdrop of 3.5m width and 1.5m height can be attached to a backtruss or similar
Crew:	The Antipreneurs travel with up to 2 helpers. The organizer grants them access to all necessary areas and includes them in the catering.

Catering:	The organizer provides catering: – Water (non-carbonated) – Coffee – Oat milk – Black tea (preferably Assam) – Mate lemonade – 1 crate of beer – 1 crate of non-alcoholic beer – 1 bottle of sparkling wine – 1 jar of jam – Snacks (vegan) – 1 warm meal (1 vegetarian, 3 vegan) or buy-out of 10€ per person.
Other:	– 5 fresh towels – Table (1m x 2m or similar) to set up a merch stand
